

Slept needlessly. Think my companion Frank the same. Nevertheless
 was sleeping soundly when I called him about 6. Broke? + he
 left Bath on 7.11 dunnery. Brasher left without his hat. He did not
 return my cards so I held on to his hat. Mr. and Mrs. Helfenstein
 stayed till about 10. Papa + self to city. Told by some boys that Sullivan, Spick
 Titus + another name unknown was in Carnall Place. Two former wife

 were coming down here. In the evening Ellen said people in Frenchman's
 told her there had been two carriages in our lane last night the occupants
 of which shunted Mary + Jack. Come out "grin". On the 12.51 dunnery to the
 city. Unexpected early getting away. Suppose it occurred because I imagined it
 later. Found Brown in Schenck's. There was nothing in Court except trifles.
 Back via Herald office to St. Hamilton. The Post dunnery went down in
 half an hour. Walked across. Met Miss Waters + Miss Oughtonlong (Goodman)
 Walked with them + talked great deal. Latter fell across Sam Solomon + Kelly. I
 unhappily had to greet both. Left Sol. Kelly + Ough - + accomp. Miss W.
 We had quite a pleasant walk + confab. On my way up with Thompson +
 who is a minute all snags. Mary unwell all day. Also talkative + quarrelsome.
 Mazie + I chatted +. till hunted off by curious Papa.

TUESDAY, 10. 25th

Mary to Newarr. She + Mazie in another wordy battle. She speaking after
 as if had been abusing her. All because Mazie chose to spend that time
 talking with me. After Mary left + Papa also I stayed fussed around
 cot and fooled away time till 3 o'clock. While I was conspicuous
 observed by excited Ellen that men terrible fellows plucking air field.
 A little scene of devastation. Did give or six men walking off with
 with the cks of gun. Demand some pretence of improvement. I
 Retard uncertain that the field's his. Found out for first time that
 Papa has sold field bottom of lane. Off unlaudedly, were on 3 dunnery.

 home with Cott + Strand by Hamilton Ferry + dunnery. Saw Van Brunt who
 shot Mesher + Douglas. Bayard at our house looking for his hat + probably
 caught not a glimpse of either. Off some after my arrival. He wears a hat
 in his missing one. He wore a ribbonless + dishevelled one to the city. That
 day. Spent evening with Mazie undisturbed by the Robins or female
 by Robin + male. We talked chatted spun yarns + had enjoyable confab.

WEDNESDAY, 11. 26th

Mazie + I greater part of day together. Papa of course around. Eyes
 open. Mind filling with pretty fancies fine to come out when in
 an argument. To the city and tried to get back early in which
 I succeeded. Mary home. She + Mazie talking + fighting. Mazie
 spent same time with me. Weather continues lovely. Walk to St.
 Hamilton nearly every day. Very dull for some time at Court. Besides old man.

Thursday 12. 27th

Early ever get away in time. Trying to do better as the Justice

 bartender at Funnell's. Quite a come down. Put in my bill which
 is more \$10.00. Need shaving badly. Go in so late + so early
 with no time. Patron is up at St. Hamilton dunnery time.
