Friday 14th

allowed my full bill \$18.85. In from Bath late of course. Was shaved. To Court. Found it over. Brewer & Hennessy in Schwab's. L. A. Brewer \$1.50 more. Sam Hennessy his \$2.00. Wrote up five or six small items. With Wood & Frank Ottaviano to see Robinson Cressie at Eagle. Dinner from. Then to Dorian's. I spent much.

Saturday 15th

Last night said to myself To Court in morning early. Slept and did not get to Court till after 11. Saw Davies Pickney & others. Davies chimed me & I'll write another yarn. Was witness to a marriage. Late keeping appointment with George. He was waiting for me. We saw the Mother's Secret at Union Square. I had seen it before. In evening to Eagle Theatre ^{with at word} saw Oxyphen for a time. Greatly disappointed. To Dorian's.

Sunday 16th

a very pleasant day. Not at all like winter. To the Court after 1. Reason - I slept over as usual. Found a note from Hennessy. To Herald. Stayed there till after 4. Then to Bath by Fort Hamilton. Moonlight. Magnificent night. Brusher at our house. He left before 10. Mary & he speaking some; a few words. Looked over papers. To bed about 12.

Monday 17th

Jimmie the boy called me before 8 but I did not get up till after 10. Rather a nice day. Not at all cold but dark. Looks like snow. Papa and Mary to the city before I got up. Bought some ink & pens. Mrs. O'Brien opposite to wash for us beginning to day. Had no appetite for breakfast. Intended to get up ^{even} so early and to do even so much. My laziness & want of determination & purpose prevented me. On Saturday morning paid Aunt Mary \$3. Believe I was shaved. To City by way Fort Hamilton. A fine walk. Telegram to Brewer I was coming. Arrived at Court about 4. Brewer & Hennessy in Schwab. Paid Brewer paid me \$2 he owed me. In evening with Wood to see Mary Anderson in Fazio. Another great performance. Most talented of girls. Dorian's &c.

Tuesday 18th

Writing more items from Court this week than usual. Have made up mind time and again to get to Court in morning but do not succeed. Still stepping with Aunt Mary. Fading riding in cars but can reach destination at any hour. Spent evening in office writing & reading. Enthusiasm & freshness from Morris. Intended to write criticism on Anderson's acting but lost up as quick as wind.

Wednesday 19th

Recd. kind invitation from Aunt Sue about this time to spend Christmas in Newark. Sent Maggie's letter, \$5 & a letter from me to Mrs. O'Brien after much putting off. A duty which should long since have been attended to. One or two good cases in Court today which helps me greatly. Think I went to night again to see Oxyphen. Same opinion of it as on Saturday. Allied for the worst & good actors missing. Was going to Newark today or yesterday. Have changed my intention. Pleasant work.

Thursday 20th

My bill this week including sting about Davies brought me \$10.66, 4 cents below salary. Nothing at Court worth writing. Brewer borrowed \$5, \$4 of which he gave me, from Jos. Schwab. Great fire in Barclay St. with loss of life. A afraid of being put out on it. Stopping around. To Wald office. Wood did not keep his engagement. Had dinner. Then to Broadway. Maggie & saw Charles Fichter in Monte Christo. An impossible drama & a very good actor. Did not touch liquor today nor yesterday.

Friday 21st

allowed \$10.66. Paid \$5 of it to Schwab & \$2.50 to Aunt Mary. Almost nothing at Court. Down town with Hennessy. To Herald office. About this time mailed letter to Maggie. Only one small item in this morning. My prospects are slim. Met Wood at Wald office. We played 3 games of billiards all of which I won. Men to 5th we theatre. Saw Mary Anderson in Ingomar & Lady Macbeth. Excellent in both. Saw her again in Dorian's Oyster Saloon. Wood & I considerable expert. No more.
